

About Aisei Kindergarten

Aisei Kindergarten is attached to the Koishikawa Hakusan Church of the Japan Christian Church, and is a Christian small-group system.

Kindergarten. A Christian kindergarten is a kindergarten that shows a way of life (direction) according to the teachings of the Bible.

Each and every one of us is an irreplaceable child created by God.

We do not put them in a uniform frame, but value the autonomy and individuality of each child.

Educational Views Pray, wait, believe, and take care of children in a relaxed manner without haste.

Values In a rapidly changing era, do not be distracted by the immediate future.

I will tell you the good and the bad.
